

Fill in the gaps

A Happy Place by Katie Melua

I'm going to (1)_____ a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand eyes are watching
Marching home and no one's touching
Army of the city workers
Secretaries, lawyers, brokers
Heading for a (2)_____ station
Heading for a quick salvation
Oblivious to cherry cola
Trying to sell to every stranger
Stuck here it's cold I'm standing
Hoping for some understanding
Only way to go is inside
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
Seven thousand (3)_____ years travel
Let my sense of time unravel
Trapped (4)_____ are (5)_____ ending
Send those weaknesses descending
Towards the earth's red centre
Let the fire rise and enter
Tap into the primal power
Rising like a giant tower
The energy receiving

Cut a hole right through the ceiling
People getting (6)_____ as you fly
I'm going to find a happy
I'm going to find a happy
I'm going to find a happy place
A (7)_____ place
A happy place
A happy...
Find a star, send down a beam to where you are
An elevator of light taking you somewhere
Where you'll always be loved
I have found that stress and nonsense
Puts me in (8)_____ of avoidance
Could my (9)_____ be moving faster
Pulling like a super cluster
Can be hard to trust a feeling
But believing ends in seeing
We're going to find a happy
We're going to find a happy
We're going to find a happy place
A happy place
A happy place
A happy...

Answer

1. find
2. London
3. light
4. feelings
5. never
6. smaller
7. happy
8. zone
9. mind
