

A Happy Place by Katie Melua

I'm going to (1)_____ a happy

I'm going to find a happy

I'm going to find a happy place

Seven thousand eyes are watching

Marching home and no one's touching

Army of the city workers

Secretaries, lawyers, brokers

Heading for a (2)_____ station

Heading for a quick salvation

Oblivious to cherry cola

Trying to sell to every stranger

Stuck here it's cold I'm standing

Hoping for some understanding

Only way to go is inside

I'm going to find a happy

I'm going to find a happy

I'm going to find a happy place

Seven thousand (3)_____ years travel

Let my sense of time unravel

Trapped (4)_____ are (5)_____ ending

Send those weaknesses descending

Towards the earth's red centre

Let the fire rise and enter

Tap into the primal power

Rising like a giant tower

The energy receiving

Cut a hole right through the ceiling

People getting (6)_____ as you fly

I'm going to find a happy

I'm going to find a happy

I'm going to find a happy place

A (7)_____ place

A happy place

A happy...

Find a star, send down a beam to where you are

An elevator of light taking you somewhere

Where you'll always be loved

I have found that stress and nonsense

Puts me in (8)_____ of avoidance

Could my (9)_____ be moving faster

Pulling like a super cluster

Can be hard to trust a feeling

But believing ends in seeing

We're going to find a happy

We're going to find a happy

We're going to find a happy place

A happy place

A happy place

A happy...

Fill in the gaps

Answer

Fill in the gaps

1. find
2. London
3. light
4. feelings
5. never
6. smaller
7. happy
8. zone
9. mind
