

What took you all night (What took you all night)

Fill in the gaps

What Took You So Long by Emma Bunton

Talk to me, can't you see	What took you forever to see I'm right
I'll help you work things out	You know I treat you so good (I treat you so good)
Don't (1) be (2) enemy	I make you (16) (17) (I make you fee
And I don't want to (3) and shout	fine)
Cause baby I (4) in honesty	You (18) I'll (19) give it up this time
A man that's (5) and true	No, no, no
I shouldn't (6) to say now baby	No, no, no
That I (7) in you	No. no, no
What took you so long	No, no, no
What took you all night	Baby I (20) in honesty
What took you (8) to see I'm right	A man that's strong and true
You know I'll treat you so good	I shouldn't have to say now baby
I'll make you feel fine	That I believe in you
You know I'll never give it up (9) time	What took you so long
No, no, no	What took you all night
You touched my heart	What took you (21) to see I'm right
Right (10) the start	You know I treat you so good
You didn't know what to say (didn't know (11) to	I make you feel fine
say)	You know I'll never give it up this time
But honey, understand	What took you so (22) (What took you so long)
When you take my hand	What took you all night (What took you all night)
Everything's OK	What (23) you forever to see I'm right
Cause baby I believe reality	You know I treat you so good (I treat you so good)
It's never far away	I make you feel (24) (I make you feel fine)
I've had enough so listen baby	You (25) I'll never give it up this time
I've got something to say	What (26) you so long (What took you so long)
What took you so long	What (27) you all night (What took you all night)
What took you all night	What took you forever to see I'm right
What (12) you forever to see I'm right	You know I treat you so good (I treat you so good)
You (13) I treat you so good	I (28) you feel fine (I make you feel fine)
I make you feel fine	You know I'll never give it up this time
You know I'll never give it up this time	No, no, no
What (14) you so long (What (15) you	
so long)
