

## Fill in the gaps

I hold on so nervously	Well, I'm still imagining
To me and my drink	A dark (7) place
I wish it was cooling me	Or your place or my place
But so far has not been good	Well I'm not paralyzed but I seem to be struck by you
It's been ()	I wanna make you move
And I feel awkward as I should	Because you're standing still
This club has got to be	If your body (8) what your eyes can do
The (1) pretentious thing	You'll probably move right through
Since I thought you and me	Me on my way to you
Well, I am imagining	Well I'm not paralyzed but I seem to be struck by you
A dark lit place	I wanna make you move
Or your place or my place	Because you're standing still
Well I'm not paralyzed but I seem to be struck by you	If your body matches what your eyes can do
I wanna make you move	You'll probably move right through
Because you're standing still	Me on my way to you
If your (2) matches what your (3) can	Not paralyzed but I seem to be struck by you
do	I wanna make you move
You'll probably move right through	Because you're standing still
Me on my way to you	If your body matches (9) your eyes can do
I (4) out for one more drink	You'll probably move right through
Before I think	Me on my way to you
I'm looking too desperately	You'll probably (10) right through
But so far has not been fun	Me on my way to you
l should just (5) home	You'll probably move right through
If one thing really means one	Me on my way to you
This club will hopefully	
Be closed in three weeks	
That would be (6) with me
