

I searched the whole world

Fill in the gaps

Listen	For someone like you
I've had other guys	Don't you know, don't you know that it's
I've looked into their eyes	True love, oh baby
But I never knew love before	True love, oh baby
Till you walked through my door	True love, oh baby
I've had other lips	True love it's
I've sailed a thousand ships	True love, oh baby
But no matter where I go	True love, oh baby
You're the one for me (1) this I know	True love, oh baby
'Cause it's	True love it's
True love	True, so if you should ever doubt
You're the one I'm dreaming of	Wonder what love is all about
Your heart fits me like a glove	Just think back and remember dear
And (2) gonna be	Those words whispered in (8) ear, I said
True blue baby I (3) you	No more more sadness
I've heard all the lines	I kiss it good-bye
I've cried oh so many times	The sun is bursting
Those teardrops they (4) fall again	Right out of the sky
I'm so excited 'cause you're my best friend	I searched the whole world
So if you should ever doubt	For someone like you
Wonder what love is all about	Don't you know, don't you know that it's
