Keep Holding On by Avril Lavigne

Fill in the gaps

You're not alone	Keep holding on
Together we stand	Cause you know we'll make it trough, we'll make it trough
I'll be by your side	Just (7) strong
You know I'll take your hand	Cause you know I'm here for you
When it gets cold	There's nothing you can say, nothing you can do
And it feels (1) the end	There's no other way when it comes to the truth
There's no place to go	So keep holding on
You know I wont give in	Cause you know we'll make it trough, we'll make it trough.
No I wont give in.	Hear me when I say, (8) I say
Chorus:	I believe nothing's gonna change,
Keep holding on	nothing's gonna change destiny
Cause you know we'll make it trough, we'll make it trough	Whatever is meant to be
Just stay strong	We'll work out perfectly yeah yeah yeah yeah
Cause you know (2) here for you	Lalalalalala
There's nothing you can say, nothing you can do	Keep holding on
There's no other way (3) it comes to the truth	Cause you know we'll make it trough, we'll make it trough
So keep holding on	Just stay strong
Cause you (4) we'll make it trough,	Cause you know I'm here for you
(5) make it trough.	There's nothing you can say, nothing you can do
So far away I wish you were here	There's no other way when it comes to the truth
Before it's too late this could all disappear	So keep holding on
Before the doors close, this comes to an end	Cause you know we'll (9) it trough, we'll make it
But with you by my side I will fight and defend	trough.
I'll (6) and defend yeah yeah.
