

## Fill in the gaps

You're not alone	Keep holding on
Together we stand	Cause you know we'll make it trough, we'll make it trough
I'll be by your side	Just stay strong
You know I'll take (1) hand	Cause you know I'm here for you
When it gets cold	There's nothing you can say, nothing you can do
And it feels like the end	There's no other way when it comes to the truth
There's no place to go	So keep (4) on
You know I wont give in	Cause you (5) we'll make it trough, we'll
No I (2) give in.	(6) it trough.
Chorus:	Hear me when I say, when I say
Keep holding on	I believe nothing's gonna change,
Cause you know we'll make it trough, we'll make it trough	nothing's gonna (7) destiny
Just stay strong	Whatever is meant to be
Cause you know I'm here for you	We'll work out perfectly yeah yeah yeah yeah
There's nothing you can say, nothing you can do	Lalalalalala
There's no other way when it comes to the truth	Keep holding on
So keep holding on	Cause you know we'll make it trough, (8)
Cause you know we'll make it trough, we'll make it trough.	make it trough
So far away I wish you were here	Just stay strong
Before it's too late this could all disappear	Cause you know I'm here for you
Before the doors close, this comes to an end	There's nothing you can say, nothing you can do
But with you by my side I (3) fight and defend	There's no other way when it comes to the truth
I'll fight and defend yeah yeah.	So keep holding on
	Cause you know (9) make it trough, we'll
	make it trough.
