

Fill in the gaps

I know what you're doing	'Cause I am (13) breathing
I see it all too clear	And I can't find the air
I only taste the saline	I don't (14) who I'm kidding
When I (1) away your tears	Imagining you care
You really had me going	And I could stand here waiting
Wishing on a star	A (15) for another day
But the black holes (2) surround you	I don't (16) it's worth the price
Are (3) by far	It's worth the price, the price that I (17) pay
I believed in your confusion	But I'm thinking it over anyway
You were so completely torn	I'm thinking it over anyway
It must have been that yesterday	I've (18) to find
Was the day that I was born	I may never know
There's not much to examine	Your (19) mind
There's (4) left to hide	Is it (20) or foe
You really can't be serious	I rise above
If you (5) to ask me why	Or sink below
I say good-bye	With every time
'Cause I am barely breathing	You come and go
And I can't find the air	Please don't
I don't know who I'm kidding	Come and go
Imagining you care	'Cause I am barely breathing
And I (6) stand here waiting	And I can't find the air
A fool for another day	I don't (21) who I'm kidding
I don't (7) it's (8) the price	Imagining you care
It's worth the price, the price that I would pay	And I could stand here waiting
Everyone keeps asking	A fool for another day
What's it all about	I don't (22) it's worth the price
I (9) to be so certain	It's (23) the price, the (24) that
And I can't figure out	would pay
What is (10) attraction	But I'm (25) it over anyway
I only (11) the pain	I'm thinking it over anyway
Nothing left to reason	I know what you're doing
And (12) you to blame	I see it all too clear
Will it ever change
