## This Used To Be My Playground by Madonna

This used to be my playground		Well then, there's hope yet
This used to be my childhood dream		I can see your face in our secret place
This (1) to be the place I ran to		You're not just a memory
Whenever I was in need of a friend		Say (4) to yesterday
Why did it have to end		Those are (5) I'll never say
And why do they (2)	_ say	(I'll never say)
Don't look back		This (6) to be my playground
Keep your head held high Don't ask them why Because life is short And before you know You're feeling old And your heart is breaking Don't hold on to the past		(Used to be)
		This used to be our pride and joy
		This used to be the place we ran to
		That no one in the world could dare destroy
		This used to be our playground (used to be)
		This used to be our childhood dream
		This used to be the place we ran to
Well, that's too much to ask		I (7) you were standing here with me
This used to be my playground (Used to be)		This (8) to be our playground
		(Used to be)
This used to be my (3)	dream	This used to be our childhood dream
This used to be the place I ran to Whenever I was in need of a friend		This used to be the place we ran to
		The (9) things in life are always free
Why did it have to end		Wishing you were here with me
And why do they always say
