

Fill in the gaps

I used to think that I wasn't fine enough	Never knew what I was missing
And I used to (1) that I wasn't wild enough	But I knew (15) we start kissing
But I won't waste my time (2) to figure out	I found
Why you playing games, what's this all about	I found you
And I can't believe you're (3) me	(Who (16) have known)
I met (4) girl, what a difference	l'd (17) you
What you see in her you ain't (5) in me	(Who)
But I guess it was all just make believe	Now you're gone, what am I gonna do
Oh, love	So empty my heart, my soul can't go on
Never (6) I was missing	Go on, baby, (18) you
But I (8) once we start kissing	Rainy days fade away
I found	When you come around say you're here to stay
Love	With me boy I don't (19) you to leave me
Never knew what I was missing	I need you (love)
But I knew (9) we start kissing	Never knew what I was missing (I never knew)
I found	But I (20) (21) we (22)
I (10) you	kissing
Now you're gone, what am I gonna do	I found
So empty my heart, my soul can't go on	Love
Go on without you	Never knew what I was missing (I never knew)
My (11) days fade away when you	But I (23) once we start kissing
Come around (12) me, baby	I found
Why you go so far away	Love
Why you go love	Never (24) what I was missing (I never, never
Never knew what I was missing	never)
But I knew (14) we start kissing	But I knew once we start kissing (we start kissing)
I found	I found (I found, I found)
