

Fill in the gaps

I used to think that I wasn't fine enough	Never knew what I was missing
And I used to think (1) I wasn't wild enough	But I knew once we (7) kissing
But I won't waste my time trying to figure out	I found
Why you playing games, what's this all about	I found you
And I can't believe you're hurting me	(Who (8) have known)
I met your girl, what a difference	I'd find you
What you see in her you ain't seen in me	(Who)
But I guess it was all just make believe	Now you're gone, what am I gonna do
Oh, love	So (9) my heart, my soul can't go on
Never (2) what I was missing	Go on, baby, without you
But I knew once we start kissing	Rainy days fade away
I found	When you come around say you're here to stay
Love	With me boy I don't want you to leave me
Never knew what I was missing	I need you (love)
But I knew once we start kissing	Never knew what I was missing (I never knew)
I found	But I knew once we start kissing
I found you	I found
Now you're gone, what am I gonna do	Love
So empty my heart, my soul can't go on	Never knew what I was missing (I never knew)
Go on without you	But I knew once we start kissing
My (3) fade away when you	I found
Come (5) please tell me, baby	Love
Why you go so far away	Never knew (10) I was missing (I never, never,
Why you go love	never)
Never knew (6) I was missing	But I knew once we start kissing (we start kissing)
But I knew once we start kissing	I found (I found, I found)
I found	Love
