Now look at me baby

Fill in the gaps

Brilliant Disguise by Bruce Springsteen

i noid you in my arms	Struggling to do everything right
As the band plays	And then it all falls apart
What are (1) words whispered baby	(Oh) When out go the lights
Just as you turn away	I'm just a lonely pilgrim
I saw you last night	I walk this world in wealth
Out on the edge of town	I want to know if it's you I don't trust
I wanna read (2) mind	'Cause I damn sure don't trust myself
To know just what I've got in (3) new thing I've	Now you play the loving woman
found	I'll play the faithful man
So tell me (4) I see	But just don't look too close
When I look in (5) eyes	Into the (7) of my hand
Is that you baby	We (8) at the altar
Or just a brilliant disguise	The gypsy (9) our future was right
I heard (6) call your name	But come the wee wee hours
From underneath our willow	Well maybe baby the gypsy lied
I saw something tucked in shame	So when you look at me
Underneath your pillow	You (10) look hard and look twice
Well I've tried so hard baby	Is that me baby
But I just can't see	Or just a brilliant disguise
What a woman like you	Tonight our bed is cold
Is doing with me	I'm lost in the darkness of our love
So tell me who I see	God have mercy on the man
When I look in your eyes	Who doubts what he's sure of
Is that you baby	
Or just a brilliant disguise
