Now look at me baby

Fill in the gaps

Brilliant Disguise by Bruce Springsteen

I hold you in my arms	Struggling to do everything right
As the band plays	And then it all falls apart
What are those words whispered baby	(Oh) When out go the lights
Just as you turn away	I'm (15) a lonely pilgrim
I saw you last night	I walk this world in wealth
Out on the (1) of town	I want to (16) if it's you I don't trust
I wanna read your mind	'Cause I damn sure don't (17) myself
To know (2) what I've got in this new thing I've	Now you play the (18) woman
found	I'll play the faithful man
So (3) me (4) I see	But just don't look too close
When I look in your eyes	Into the palm of my hand
Is (5) you baby	We stood at the altar
Or just a brilliant disguise	The (19) swore our (20) was
I heard (6) call your name	right
From underneath our willow	But come the wee wee hours
I saw something tucked in shame	Well maybe baby the gypsy lied
Underneath your pillow	So when you (21) at me
Well I've (7) so hard baby	You (22) look (23) and look twice
But I (8) can't see	Is (24) me baby
What a (9) you	Or just a brilliant disguise
Is doing (11) me	Tonight our bed is cold
So (12) me who I see	I'm (25) in the (26) of our love
When I (13) in your eyes	God have mercy on the man
Is that you baby	Who doubts what he's sure of
Or (14) a brilliant disguise
