

Fill in the gaps

Something Beautiful by Robbie Williams

You can't manufacture a miracle	If you're lost, hurt, tired or lonely
The (1) was pitiful	Can't control it
That day	Try as you might
Our love is getting too cynical	May you (10) that love that won't (11)
Passion's (2) physical	you
These days	May you (12) it by the end of the day
You analyze everyone you meet	You won't be lost, hurt, (13) and lonely
But get no sign, love ain't kind	Something beautiful will come your way
Every night you admit defeat	(Will come your way)
And cry yourself blind	Some kind of beautiful
If you can't wake up in the morning	(Will (14) your way)
'Cause your bed lies vacant at night	Some kind of beautiful
If you're lost, hurt, tired or lonely	(Will (15) (16) way)
Can't control it	Some kind of beautiful
Try as you might	(Will come (17) way)
May you find that love that won't (3) you	All (18) friends (19) you're satisfied
May you find it by the end of the day	But they can't see (20) soul no, no, no
You won't be lost, hurt, tired and lonely	Forgot the (21) feeling petrified
Something beautiful will come (4) way	When they lived alone
The DJ said on the radio	If you can't wake up in the morning
Life should be stereo	'Cause your bed lies (22) at night
Each day	If you're lost, hurt, tired or lonely
In the past you cast the unsuitable	Can't control it
Instead of some kind of beautiful	Try as you might
You just couldn't wait	May you find that love that won't leave you
All your friends (5) you're satisfied	May you find it by the end of the day
But (6) can't see (7) soul no, no, no	You won't be lost, hurt, tired and lonely
Forgot the (8) feeling petrified	Something beautiful will come your way
When they lived alone	You won't be lost, hurt, (23) and lonely
If you can't wake up in the morning	Something beautiful will come (24) way
'Cause your bed lies (9) at night
