

Fill in the gaps

Something Beautiful by Robbie Williams

You can't manufacture a miracle	If you're lost, hurt, tired or lonely
The silence was pitiful	Can't control it
That day	Try as you might
Our love is (1) too cynical	May you find that (14) that won't leave you
Passion's just physical	May you find it by the end of the day
These days	You won't be lost, hurt, tired and lonely
You (2) everyone you meet	Something beautiful will (15) (16) way
But get no sign, love ain't kind	(Will come your way)
Every night you (3) defeat	Some kind of beautiful
And cry yourself blind	(Will come your way)
If you can't wake up in the morning	Some kind of beautiful
'Cause (4) bed lies vacant at night	(Will come your way)
If you're lost, hurt, tired or lonely	Some kind of beautiful
Can't (5) it	(Will come (17) way)
Try as you might	All your friends think you're satisfied
May you find that (6) that won't leave you	But (18) can't see your (19) no, no, no
May you find it by the end of the day	Forgot the time feeling petrified
You won't be lost, hurt, tired and lonely	When they lived alone
Something (7) will come (8)	If you can't wake up in the morning
way	'Cause (20) bed lies vacant at night
The DJ said on the radio	If you're lost, hurt, (21) or lonely
Life should be stereo	Can't control it
Each day	Try as you might
In the past you cast the unsuitable	May you find that (22) that won't leave you
Instead of some kind of beautiful	May you find it by the end of the day
You just couldn't wait	You won't be lost, hurt, tired and lonely
All your friends (9) you're satisfied	Something (23) will come your way
But they can't see (10) soul no, no, no	You won't be lost, hurt, tired and lonely
Forgot the time (11) petrified	Something (24) (25)
When (12) lived alone	(26) (27) way
If you can't wake up in the morning	
'Cause your bed lies (13) at night
