

## Fill in the gaps

## Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls from the shore
As the (1) low, will I see you any more?
As the rain falls (3) the sky
Can I (4) you back, from a distant lullaby?
Show me your vision, the story begun
Two lights are rising and burning as one
In the deep (5) of the night
Shine the (6) of stars and my (7) burning bright
Spinning on, into the sun
Flying higher now my journey's begun
And the cold, cold wind, it (8) me away
The (9) all over is a black, (10) day
But I (11) I'll see you again
And I know that you're near me
There's a star, calling my name
It's (13) is true and the song is not the same
Take my hand and lead me away
Bring me back to you in (14) arms I'm (15) to stay
Tell me your vision, the (16) begun
Two lights are rising and burning as one
All those years (17) in space
I have known you well, yet I've never seen your face
You (18) around, (19) at me
Laughter in your eyes and now I can see
And the cold, (20) wind, it blows me away
The feeling all over is a black, black day
But I know (21) I'll see you again
And I (22) that you're (23) me
