Young Forever by Jay-Z & Mr. Hudson

Let's dance in style, let's dance for a while					
Heaven can wait we're (1) watching the skies					
Hoping for the best but expecting the worst					
Are you (2) drop the bomb or not?					
Let us die young or let us live forever					
We don't have the power but we never say never					
Sitting in a sandpit					
Life is a short trip					
The music's for the sad man					
Forever young					
I wanna be forever young					
Do you really want to live forever?					
Forever and ever					
Forever young (Young)					
I wanna be forever young (May the best of your todays)					
(Be the worst of your tomorrows)					
Do you (3) want to live forever?					
(But we aint even thinking that far, you naw mean?)					
Forever, forever					
So we livin' a life like a video, video					
When the sun is always out and you (4) get old					
And the champagne's (5) cold					
And the music is (6) good					
And the pretty girls (7) happen to stop by in the hood					
And they hop their pretty ass up					
On the hood of dat pretty ass car					
Without a wrinkle in today					
'Cause there's no tomorr'					
Just some (8) perfect day					

Fill in the gaps

To last a whole lifetime

And it never ends					
'Cause all we have to do is hit rewind					
So let's just (9) in the moment, smoke some weed					
Drink some wine					
Reminisce (10) some (11) forever young is in your mind					
Leave a (12) that can't erase neither space nor time					
So when the director yells cut					
I'll be fine					
I'm forever young					
Forever young					
I wanna be forever young					
Do you really want to live forever?					
Forever and ever					
Forever young I wanna be					
Forever young (forever young)					
Do you really want to live forever?					
Forever, forever					
Fear not when, fear not why					
Fear not much while (13) alive					
Life is for living not living up tight					
See ya somewhere up in the sky					
Fear not die, I'll be alive for a million years, bye bye					
So not for legends, I'm (14) young					
My name shall survive					
Through the darkest blocks, over (15) stoves					
Over Pyrex pots, my name shall be passed					
Down to generations while debating up in barber shops					
Young slung, hung here					

Shorty, the (16)_____ from here
