Fill in the gaps

DNA by Little Mix

Does he tell you he loves you
When you least expect it?
Does he (1)_____ your heart
When he (2)_____ your neck?
No scientist or biology
It's obvious, when he's holding me
It's only natural that I'm so affected
(Oh) and my heart won't beat again
If I can't feel him in my veins
No need to question, I already know
It's in his DNA (D-D-D-DNA)
It's in his DNA
And he just takes my breath away
B-B-B-Breath away
I feel it every day
And that's what makes a man
Not hard to understand
Perfect in every way
I see it in his face
Nothing more to say
It's in his D-D-D-D-DNA
It's the blue in his eyes
That helps me see the future
Fingerprints that leave me covered for days
(Yeah hey yeah)
Now I don't have any first degree
But I know what he does to me
No (3)_____ to work it out, it's so familiar
(Oh)
And my heart won't (4)_____ again
If I can't feel him in my veins
No need to question, I already know
It's in his DNA (D-D-D-DNA)
It's in his DNA
And he just takes my breath away
B-B-B-Breath away
I feel it every day
And that's what makes a man
Not (5)_____ to understand
Perfect in every way
I see it in his face
Nothing more to say
It's in his D-D-D-D-DNA
It's all about his kiss
Contaminates my lips
Our energy connects
It's simple genetics
I'm the X to his Y
It's the (6)_____ of his eyes
He can do no wrong
No he don't need to try
Made from the best
He (7)_____ all the tests
Got my heart beating fast
It's cardiac arrest
He's from a different strain
That science can't explain
I guess that's how he's made
In his D-D-DNA
It's in his DNA (D-D-D-DNA)
It's in his DNA
And he just takes my breath away
B-B-B-Breath away
I feel it every day
And that's what makes a man (what makes a man)
Not (8)_____ to understand (to understand)
Perfect in every way (in every way)
I see it in his face (in his face)
Nothing more to say (nothing (9)_____ to say)
It's in his D-D-D-D-DNA

Fill in the gaps

Answer

1. flutter
2. kisses
3. need
4. beat
5. hard
6. colour
7. passes
8. hard
9. more
