Does he tell you he loves you
When you least expect it?
Does he flutter your heart
When he kisses your neck?
No scientist or biology
It's obvious, when he's holding me
It's only natural that I'm so affected
(Oh) and my heart won't beat again
If I can't feel him in my veins
No need to question, I already know
It's in his DNA (D-D-DNA)
It's in his DNA
And he just takes my breath away
B-B-Breath away
I (1) it (2) day
And that's what makes a man
Not (3) to understand
Perfect in every way
I see it in his face
Nothing more to say
It's in his D-D-D-DNA
It's the blue in his eyes
That helps me see the future
Fingerprints that leave me covered for days
(Yeah hey yeah)
Now I don't have any first degree
But I know what he does to me
No need to work it out, it's so familiar
(Oh)
And my heart won't (4) again
If I can't feel him in my veins
No need to question, I already know
It's in his DNA (D-D-DNA)
It's in his DNA
And he just (5) my (6) away

B-B-Breath away
