I Drove All Night by Cyndi Lauper

I had to escape
The city was sticky and cruel
Maybe I should have called you first
But I was dying to get to you
I was dreaming while I drove
The long straight road ahead
Could taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you from your sleep
To make love to you
Is that alright
I drove all night
What in this world
Keep us from tearing apart
No (1)_____ where I go I hear
The beating of your heart
I think (2)_____ you when the night is (3)_____
and dark
No one can move me the way that you do
Nothing erases this (4)_____ between me and
you

I drove all night
To get to you
Is that alright
I drove all night
Crept in (5)_____ room
Woke you from your sleep
To make love to you
Is (6)_____ alright
I drove all night
I (7)_____ your (8)_____ kisses your arms
open wide
This fever for you is just (9)_____ me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in (10)_____ room
