## T Drove All Night by Cyndi Lauper

## Fill in the gaps

I had to escape	
The city was sticky and cruel	
Maybe I (1) have called you first	
But I was dying to get to you	
I was dreaming (2) I	drove
The long straight (3) ah	ead
Could taste your sweet (4)	your arms open
wide	
This fever for you is just (5)	me up inside
I drove all night	
To get to you	
Is that alright	
I drove all night	
Crept in your room	
Woke you from your sleep	
To make love to you	
Is that alright	
I drove all night	
What in this world	
Keep us from tearing apart	
No (6) (7)	I go I hear
The beating of your heart	
I think about you when the night is cold and dark	
No one can move me the way that you do	

Nothing erases this feeling between me and you

I drove all night To get to you Is that alright I drove all night Crept in your room Woke you from your sleep To make love to you Is that alright I (8)\_ \_\_ all night I taste your sweet kisses your arms open wide This fever for you is just burning me up inside I drove all night To get to you Is (9)\_\_\_ \_\_ alright I drove all night Crept in your room Woke you from your sleep To make love to you I drove all night I taste your sweet kisses your arms open wide This fever for you is just burning me up inside I drove all night
