## T Drove All Night by Cyndi Lauper

## Fill in the gaps

I had to escape	I drove all night
The city was sticky and cruel	To get to you
Maybe I should have called you first	Is that alright
But I was dying to get to you	I drove all night
I was dreaming while I drove	Crept in your room
The long straight (1) ahead	Woke you from (16) sleep
Could (2) your sweet (3)	To make love to you
(4) (5) open wide	Is that alright
This fever for you is (6) burning me up inside	I drove all night
I drove all night	I taste your (17) kisses (18) arms
To get to you	open wide
Is that alright	This (19) for you is just burning me up inside
I (7) all night	I drove all night
Crept in (8) room	To get to you
Woke you (9) your sleep	Is that alright
To (10) love to you	I (20) all night
Is that alright	Crept in (21) room
I drove all night	Woke you (22) (23) sleep
What in this world	To make love to you
Keep us from (11) apart	I drove all night
No matter where I go I hear	I taste (24) sweet kisses (25)
The beating of your heart	(26) (27) wide
I think (12) you when the night is (13)	This fever for you is just (28) me up inside
and dark	I drove all night
No one can move me the way (14) you do	
Nothing erases this (15) between me and
