

## Fill in the gaps

I had to escape	I drove all night
The city was (1) and cruel	To get to you
Maybe I should have called you first	Is that alright
But I was dying to get to you	I drove all night
I was dreaming while I drove	Crept in your room
The (2) straight road ahead	Woke you from your sleep
Could taste your sweet kisses your arms open wide	To make love to you
This fever for you is just (3) me up inside	Is that alright
I drove all night	I drove all night
To get to you	I taste your sweet kisses your arms (4) wide
Is that alright	This (5) for you is (6) burning me up
I drove all night	inside
Crept in your room	I drove all night
Woke you from your sleep	To get to you
To make love to you	Is that alright
Is that alright	I drove all night
I drove all night	Crept in your room
What in this world	Woke you from your sleep
Keep us from tearing apart	To make love to you
No matter where I go I hear	I drove all night
The beating of your heart	I taste your (7) (8) your
I think about you when the night is cold and dark	(9) open wide
No one can move me the way that you do	This fever for you is just burning me up inside
Nothing erases this feeling between me and you	I drove all night
