I Drove All Night by Cyndi Lauper

I had to escape
The city was sticky and cruel
Maybe I should (1)_____ called you first
But I was dying to get to you
I was (2)_____ (3)_____ I drove
The long straight road ahead
Could taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you (4)_____ your sleep
To make love to you
Is that alright
I drove all night
What in this world
Keep us from tearing apart
No matter where I go I hear
The beating of your heart
I (5)_____ (6)_____ you when the night is cold
and dark
No one can move me the way that you do
Nothing erases this feeling between me and you

I drove all night
To get to you
Is that alright
I drove all night
Crept in your room
Woke you (7)_____ your sleep
To make love to you
Is that alright
I drove all night
I taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
I drove all night
To get to you
Is that alright
I (8)_____ all night
Crept in your room
Woke you from your sleep
To make love to you
I drove all night
I taste your sweet kisses your arms open wide
This fever for you is just burning me up inside
