

Fill in the gaps

This may come		I can't give you more than that		
This may come as some surprise		Surely you want me back		
But I miss you		Is it a crime		
I can see through		Is it a crime		
All of your lies		l still (9) you		
But still I (1) yo	u	And I want you to (10)	me too	
He takes her love		My love is (11)	(12)	_ Victoria Lake
But it doesn't feel (2)	mine	Taller than the (13)	State	
He (3) her	kiss	It dives and it jumps		
Her kisses are not mine		I can't give you (14)	(15)	that
They are not mine		Surely you want me back		
He takes but (4)	she can't give	Is it a crime		
What I'm feeling now		Is it a crime		
She takes but surely		That I still (16) you		
She doesn't (5) how		And I want you to want me too		
Is it a crime		It dives, it jumps		
Is it a crime		Sadly (17) like		
That I still want you		The deepest ocean		
And I (6) you to want me too		Can't give you more than that		
My love is wider		Surely you (18)	_ it back	
Wider than (7)	Lake	Tell me		
My love is taller		Is it a		
Taller than the Empire State		Crime		
It dives and it jumps				
And it (8)	like the deepest ocean
