

You still ain't got a job

## Fill in the gaps

## Fast Car (Live) by Tracy Chapman

You've got a fast car		And I work in a market as a checkout girl	
I want a ticket to anywhere		I know things will get better	
Maybe we (1) a deal		You'll find (6) and I'll get promoted	
Maybe together we can get somewhere		We'll (7) out of the shelter	
Anyplace is better		Buy a big house and (8) in the suburbs	
Starting from zero we've got nothing to lose		I remember when we were driving	
Maybe we'll make something		Driving in your car	
Me, myself I've got nothing to prove		The speed so fast I felt like I was drunk	
You've got a fast car		City lights lay out before us	
I've got a (2) to get us out of here		And your arms felt nice wrapped round my shoulder	
I been working at the convenience store		And I had a feeling that I belonged	
Managed to save just a little bit of money		And I had a feeling I could be someone	
We won't have to drive too far		Be someone, be someone	
Just cross the border and into the city		You've got a fast car	
You and I can both get jobs		And I've got a job that pays all our bills	
And finally see (3) it means to be living		You stay out drinking late at the bar	
You see my old man's got a problem		See more of your friends than you do of your kids	
He lives with the bottle, that's the way it is		I'd always hoped for better	
He says his body's too old for working		Thought maybe together you and me (9)	find it
I say his body's too young to look like his		I've got no plans I ain't going nowhere	
My mama went off and left him		So take your fast car and keep on driving	
She wanted more from life than he could give		I remember when we were driving	
I said somebody's got to take care of him		Driving in your car	
So I quit school and that's what I did		The speed so fast I felt like I was drunk	
You've got a fast car		City lights lay out (10) us	
But is it fast enough so we can fly away		And your arms felt nice wrapped round my shoulder	
We gotta make a decision		And I had a feeling that I belonged	
We leave tonight or live and die this way		And I had a feeling I could be someone	
I remember (4) we were driving		Be someone, be someone	
Driving in your car		You've got a fast car	
The speed so fast I felt like I was drunk		But is it fast enough so you can fly away	
City lights lay out before us		You gotta make a decision	
And your arms felt nice (5)	round my	You leave tonight or live and die this way	
shoulder		And die this way	
And I had a feeling that I belonged		And die this way	
And I had a feeling I could be someone		And die this way	
Be someone, be someone			
You've got a fast car			
And we go cruising to entertain ourselves
