

Fill in the gaps

This is the manifesto
Of (1) Monster
On G.O.A.T.
A Government Owned (2) Territory In Space
A birth of magnificent
And magical proportions took place
But the birth was not finite it was infinite
As the whombs numbered
And the mitosis of the future began
It was (3) that (4) infamous moment in life
Is not temporal
It is eternal
And thus began the beginning of the new race
A race within the race of humanity
A race which (5) no prejudice
No judgement but boundless freedom
But on that same day
As the (6) mother hovered in the multiverse
Another more terrifying birth took place
The birth of evil
And as she (7) split into two
Rotating in agony between two ultimate forces
The (8) of choice began its dance
That seems easy, you imagine
To gravitate instantly and unweaveringly towards good
But she wondered
How can I protect something so perfect
Whithout evil?

It doesn't matter if you love him

"So hold your head up, girl and you'll go far,	
Listen to me when I say"	
I'm beautiful in my way
