

Fill in the gaps

Spend all your time waiting
for (1) chance
for a break (3) (4) make it okay
there's always one reason >br />
to (5) not (6) enough >
and it's (7) at the end of the day >
I need some distraction >br />
oh beautiful release
memory seeps from my veins >br />
let me be empty br />
and weightless and maybe br />
I'll find some peace tonight br />
