

And to all that we missed

Fill in the gaps

We could just go (1) right now	To the biggest mistakes
Or (2) we could (3) around	That we (15) wouldn't dream
For just one (4) drink (oh yeah)	To us (16) up
Get another bottle out	Without us breaking down
Lets (5) the shit	To whatever's come our way
Sit back down	Here's to us
For just one (6) drink (oh yeah)	Here's to love
Here's to us	All the times (17) we ***** up
Here's to love	Here's to you
All the times that we ****** up	Fill the glass
Here's to you	'Cause the last few days
Fill the glass	Have kicked my ass
'Cause the (7) few days	So let's (18) 'em hell
Have kicked my ass	Wish everybody well
So let's (8) 'em hell	Here's to us
Wish everbody well	Here's to love
Here's to us	All the (19) (20) we
Here's to us	(21) up
We stuck it out this far together	Here's to you
Put our dreams through the shredder	Fill the glass
Let's toast, (9) thing's got better	'Cause the last few nights
And (10) can change like that	Have kicked my ass
And all these years go by so fast	If (22) (23) you hell
But nothing (11) forever	Tell 'em to go **** themselves
Here's to us	(Go **** yourself) Here's to us
Here's to love	Here's to us
All the (12) (13) we messed up	Here's to us
Here's to you	Here's to us
Fill the glass	Here's to us
'Cause the (14) few nights	Here's to love
Have kicked my ass	Here's to us (wish everybody well)
If they give you hell	Here's to us
Tell 'em to go **** themselves	Here's to love
Here's to us	Here's to us
Here's to us	Here's to us
Here's to all that we kissed
