

## Fill in the gaps

Don't Stop Believin' (Cover) by Glee

Just a small (1) girl	Some will win, some will lose
Living in a lonely world	Some were born to (5) the blues
She took the midnight train going anywhere	(Oh) The (6) never ends
Just a city boy	It (7) on and on and on
Born and raised in South Detroit	Strangers, waiting, up and down the boulevard
He took the midnight train going anywhere	Their shadows searching in the night
A singer in a smoky room	Streetlight people, living (8) to (9)
A smell of wine and (2) perfume	emotion
For a smile they can share the night	Hiding somewhere in the night
It goes on and on and on	Don't stop believing
Strangers, waiting, up and down the boulevard	Hold on to (10) feeling
Their shadows searching in the night	Streetlight people
Streetlight people, living just to find emotion	Don't stop believing
Hiding (3) in the night	Hold on to that feeling
Working hard to get my fill	Streetlight people
Everybody (4) a thrill	Don't stop
Paying anything to roll the dice	
Just one more time
