Fill in the gaps

Nothing's Real But Love by Rebecca Ferguson

Standing in a line	No money, no house, no car
Wonder why it don't move	Is like love
Trying to get a hand	(La la la la la yeah)
Watching people (1) the rules	I put it all away
Maybe the man in charge	Holding it back for
Doesn't (2) my face	A rainy day
But then this world's not always good	But what if that day don't come
And nothing's real but love	I need love
Nothing's real but love	No money, no house, no car
No money, no house, no car	Is like love
Can beat love	(Oooh)
They (3) us open mouthed	It don't fill you up
As we joke around like fools	It won't (9) you up
See who can be the worst	It won't fill you up
Watch (4) I can do	It's not love
But (5) the door gets slammed	And nothing's real without love
Slammed right in my face	No money, no house, no car
And I (6) this world's not always good	Is like love
And nothing's real but love	Nothing's real but love
Nothing's (7) but love	No money, no house, no car
No house, no car, no job	Is like love
Can (8) love	
It won't fill you up
