Fill in the gaps

Nothing's Real But Love by Rebecca Ferguson

Standing in a line	No money, no house, no car
Wonder why it don't move	Is (12) love
Trying to get a hand	(La la la la la yeah)
Watching (1) (2) the rules	I put it all away
Maybe the man in charge	Holding it (13) for
Doesn't like my face	A (14) day
But (3) this world's not always good	But (15) if that day don't com-
And nothing's real but love	I need love
Nothing's (4) but love	No money, no house, no car
No money, no house, no car	Is (16) love
Can beat love	(Oooh)
They watch us open mouthed	It don't fill you up
As we (5) around (6) fools	It won't build you up
See who can be the worst	It won't (17) you up
Watch what I can do	It's not love
But then the (7) (8) slammed	And nothing's real without love
Slammed (9) in my face	No money, no house, no car
And I (10) this world's not always good	Is like love
And nothing's real but love	Nothing's real but love
Nothing's real but love	No money, no house, no car
No house, no car, no job	Is like love
Can beat love	
It won't (11) you up	

1. people
