Love Song For A Vampire by Annie Lennox

Come into these arms again		(Love oh love oh love)
And lay your body down		Still falls the rain (still falls the rain)
The (1) of this trembling heart		(Love oh love oh love)
Is beating like a drum		Still falls the night
It (2)	for you	(Love oh love oh love)
It bleeds for you		Be mine forever (Be (6) forever)
It knows not how it sounds		(Love oh (7) oh love)
For it is the drum of drums		Let me be the (8) one
It is the (3) of songs		To keep you from the cold
Once I had the rarest rose		Now the floor of (9) is laid
That ever (4)_	to bloom	The stars are bright as gold
Cruel winter chilled the bud		They shine for you
And stole my flower too soon		They shine for you
Loneliness		They burn for all to see
Oh hopelessness		Come into these arms again
To (5)	the ends of time	And set this spirit free
For there is in	all the world
