Where do they go	Sleeping in (7)
And what do they do	When it thunders
They're walking on by	Could you ever for
They're looking at you	My self pity
Some people stop, some people stare	When you've got r
But would they help you and do they care	On the (8)
How did you fall	I couldn't live with
Did you fall at all	But you don't ever
Are you happy where you are	How did we fall
Sleeping underneath the stars	Can we get up at
When it's cold is it your hope that (1) you warm	Are we happy who
A (2) bit of change	On our lonely little
Is all (3) I give	When it's cold is it
How is that gonna help	Where do they go
When you've got no where to live	They're walking or
Some turn (4) so they don't see	They're looking at
I bet you'd look if (5) (6) me	They're walking or
How did you fall	They're looking at
Did you fall at all	
Is it lonely where you are	

When it thunders where do you hide from the storm
Could you ever forgive
My self pity
When you've got nothing and your living
On the (8) of the city
I couldn't live without my phone
But you don't even (9) a home
How did we fall
Can we get up at all
Are we happy where we are
On our lonely little star
When it's cold is it your hope (10) keeps you warm
Where do they go and what do they do
They're walking on by
They're looking at you
They're walking on by
They're looking at you
