

Fill in the gaps

I'm crying everyone's tears		The DJ's playing the same song		
And there inside our private war I died the night before		I have so much to do, I have to carry on		
And all of these remnants of joy and disaster		I wonder will this grief ever be gone		
What am I supposed to do?		Will it ever go		
I want to (1) you a soup (2) warms your		I'm the king of sorrow		
soul		The king of sorrow		
But nothing would change		I'm crying everyone's tears		
Nothing would change at all		I have (7)	(8)	for all my future
It's just a day that brings it all about		sins		
Just another day		There's nothing anyone		
And nothing's any good		Can say to take this away		
The DJ's playing the same song		It's just (9)	_ day	
I have so much to do, I have to carry on		And nothing's any good		
I (3) if (4)	grief will ever let me go	I'm the king		
I (5) like		Of sorrow		
I am the king		King of sorrow		
Of sorrow		King of sorrow		
The king of sorrow		King of sorrow		
I suppose I could		Of sorrow		
Just walk away		King of sorrow		
Will I disappoint my future if I stay		King of sorrow		
It's just a day that (6)	it all about	King of sorrow		
Just another day				
And nothing's any good
