

## Fill in the gaps

remember (1) round the streets at hight	You're innocent
I (2) people talking about their lives	You think everything is possible
One of us never (3) it home that night	And nothing's gonna get you baby
Drunk and high got the better of her mind	Everything is touchable
Jenny died	And nothing's gonna (9) you in this life
The setting sun with music on	It's alright
The restless day was on	(Whoo hoo ho)
You can't see whit the sun in (4) eyes	The setting sun with music on
You're innocent	The restless day was on
You think everything is possible	You can't see with the sun in your eyes
And nothing's gonna get you baby	You're innocent
Everything is touchable	You think everything is possible
And nothing's gonna beat you in this life	And nothing's (10) get you baby
It's alright	Everything is touchable
(Whoo hoo ho)	And nothing's gonna beat you in this life
Holding hands drinking cans in the (5) lights	Everything is possible
Summer breeze, feeling free, (6) the fire	st And nothing's gonna get you baby
time	Everything is touchable
One of us never made it home that night	And nothing's gonna beat you in this life
Easy love someone said give this stuff a try	It's alright
Jenny tried	(Whoo hoo ho)
The railway bridge, the (7) flowed	
With shallow water down below	
You can't see (8) the sun in your eyes
