### Fill in the gaps

#### This Is The Last Time (Live) by Keane

This is the last time	Or hide it under the stairs
That I will say these words	You say that some things never die
remember the first time	Well I (4) and I tried
The (1) of many lies	Something I wasn't sure of
Sweep it into the corner	But I was in the middle of
Or hide it (2) the bed	Something I (5) now
Say these things they go away	But I've seen too little of
But they	The last time
Never do	You fall on me for anything you like
Something I wasn't sure of	Your one last line
But I was in the middle of	You fall on me for (6) you like
Something I forget now	And (7) make everything alright
But I've seen too little of	You fall on me for anything you like
The last time	And I
You fall on me for anything you like	No I don't mind
Your one last line	The last time
You fall on me for anything you like	You fall on me for anything you like
And (3) make everything alright	Your one last line
You fall on me for anything you like	You fall on me for (8) you like
And I	And years make everything alright
No I don't mind	You fall on me for (9) you like
This is the last time	And I
That I will show my face	No I don't mind
One last tender lie
