This Is The Last Time (Live) by Keane

This is the (1) time		Or (8) it under the stairs	
That I will say these words		You say (9) (10) things never di	е
I remember the first time		Well I tried and I tried	
The first of many lies		Something I wasn't sure of	
Sweep it (2) the corner		But I was in the (11) of	
Or (3) it under the bed		Something I forget now	
Say (4) things they go away		But I've (12) too little of	
But they		The last time	
Never do		You fall on me for anything you like	
Something I wasn't sure of		Your one last line	
But I was in the middle of		You fall on me for anything you like	
Something I forget now		And years make everything alright	
But I've seen too little of		You fall on me for anything you like	
The last time		And I	
You fall on me for anything you like		No I don't mind	
Your one last line		The (13) time	
You fall on me for anything you like		You (14) on me for (15)	you
And years (5) (6)	alright	like	
You (7) on me for anything you like		Your one (16) line	
And I		You fall on me for anything you like	
No I don't mind		And years make (17) alright	
This is the last time		You fall on me for anything you like	
That I will show my face		And I	
One last tender lie		No I don't mind
