

Fell for the women just when I met her

Fill in the gaps

In Love With A Girl by Gavin DeGraw

So many people gonna say that (1) want you	rook my sweet (15) when I was bitter
To try to get you thinking they really care	Someone understands
But there's nothing like the (2) of the one	And she (16) how to treat a (17)
Who has put in the time	right
And you know he's (3) be there	Give me that feeling every night
Back your border when she knows someone crossed it	Wants to make love when I wanna fight
Don't let nobody put you down, who your with	Now someone understand me
Take the pain of (4) your name	I'm in love (18) a girl (I'm in love with)
From the crutch to the (5) to the high-wire	I'm in love with a girl (I'm in love with)
'm in love (6) a girl who knows me better	Gonna tell you (19) you do to think you practice
Fell for the women (7) when I met her	What you preach
Took my sweet (8) when I was bitter	Now I (20) there's nothing we cant reach
Someone understands	'Cause the heart can't erase once it (21) a place
And she knows how to treat a fella right	To be warm and welcome
Give me that feeling every night	To be held in shelter
Nants to make love when I wanna fight	I'm in love with a girl who knows me better
Now someone understand me	Fell for the women just (22) I met her
'm in love with a girl (I'm in love with)	Took my sweet time (23) I was bitter
'm in love with a (9) (I'm in love with)	Someone understand
	And she knows how to treat a fella right
Out the many broken backdoors and windows	Give me (24) feeling every night
Through the valley of the (10) of the lost	Wants to (25) love when I wanna fight
s a hole that is cut through the souls (11)	Now someone understands me
down	I'm in love with a girl (I'm in love with)
From the thrones without leaving any windows	I'm in love (26) a girl (I'm in love with)
But you found inner (12) for the moment	I'm in love with a girl (I'm in love with)
The moment was over in time	Who (27) me better
Then its (13) the hit and run the tactless	Wants to make (28) when I wanna fight
One has a short life	Now someone understand me
'm in love with a (14) who knows me better
