

All souls pass

## Fill in the gaps

Lay down	Hope rades
Your sweet and weary head	Into the (10) of night
Night is falling	Through (11) falling
You've come to journey's end	Out of (12) and time
Sleep now	Don't say
And dream of the ones who (1) before	We (13) now to the end
They are calling	White (15) are calling
From across the distant shore	You and I will (16) again
Why do you weep	And you'll be (17) in my arms
What are these tears upon (2) face	Just sleeping
Soon you will see	What can you see
All of your (3) (4) (5)	On the horizon
away	Why do the white (18) call
Safe in my arms	Across the sea
You're (6) sleeping	A (19) rises
What can you see	The (21) come to
On the horizon	(23) you home
Why do the (7) (8) call	And all (24) turn
Across the sea	To silver glass
A pale moon rises	A light on the water
The ships have come to carry you home	Grey (25) pass
And all (9) turn	Into the West
To silver glass	
A light on the water
