

Fill in the gaps

A Little Less Conversation by Elvis Presley & JXL

A little less conversation	Girl it's getting late, (12) upset waitin around
A little more (1) please	A little less conversation
All this aggravation ain't satisfactioning me	A (13) more action please
A little more bite and a little (2) bark	All this (14) ain't satisfactioning
A little (3) fight and a little (4) spark	me
Close your mouth and open up your heart	A (15) (16) bite and a little less
And baby satisfy me	bark
Satisfy me baby	A (17) less fight and a little more spark
Baby close your eyes and listen to the music	Close your mouth and (18) up your heart
Drifting through a summer breeze	And (19) satisfy me
It's a groovy night	Satisfy me baby
And I can show you how to use it	Satisfy me
Come along with me	Satisfy me
And put your mind at ease	Come on (20) I'm tired of talking
A (5) less conversation	Grab (21) coat and let's (22) walking
A little more action please	Come on, come on (come on, (23) on)
All this aggravation ain't satisfactioning me	Come on, come on (come on, come on)
A little more bite and a little less bark	Come on, (24) on (come on, (25) on)
A little (6) (7) and a little more spark	Don't procrastinate, don't articulate
Close (8) mouth and (9) up	Girl it's getting late, gettin upset waitin around
(10) heart	A little less conversation
And baby satisfy me	A little more (26) please
Satisfy me baby	All this aggravation ain't satisfactioning me
Come on baby I'm (11) of talking	A little more bite and a little less bark
Grab your coat and let's start walking	A little less (27) and a little more spark
Come on, come on	Close your mouth and open up your heart
Come on, come on	And (28) satisfy me
Come on, come on	Satisfy me
Don't procrastinate, don't articulate
