A (1) less conversation	Giri it's getting late, gettin upset waitin around
A little more action please	A little less conversation
All this aggravation ain't satisfactioning me	A little more action please
A little more bite and a little less bark	All this aggravation ain't satisfactioning me
A (2) less fight and a little more spark	A little more bite and a little less bark
Close (3) mouth and open up your heart	A (5) less fight and a little more spark
And baby satisfy me	Close your mouth and (6) up your heart
Satisfy me baby	And baby satisfy me
Baby close your eyes and listen to the music	Satisfy me baby
Drifting through a summer breeze	Satisfy me

And I can show you how to use it	Come on (7) I'm tired of talking
Come along with me	Grab your coat and let's start walking
And put your mind at ease	Come on, come on (come on, (8) on)
