

I can't believe I had to see

## Fill in the gaps

The girl of my dreams cheating on me
The pain you caused has left me (1) inside
I'm gonna make sure you regret that night
I feel you close, I feel you breathe
And now it's (2) you're here
You're haunting me
You're out of line, you're out of sight
You're the reason that we started this fight
But I, I, I know I just gotta let it go
I, I should've known
I gotta learn to say goodbye now
I throw my armour down
And leave the battleground
For the final time now I, I, I know
I'm running from a warzone
In that house, I hate that place
Everywhere I walk I see your face
Try to erase a (3) with a flame
In hope I'll never see you again
Standing (4) in (5) burning room
You know the end could never come so soon
It's clear to me the lies you used

The ones that killed me aint hurting you so
I, I, I know I just gotta let it go
I, I should've known
I gotta learn to say goodbye now
I (6) my (7) down
And leave the battleground
For the (8) time now I, I, I know
I'm running from a warzone
I'm running from a warzone
I can't do this anymore
I'm running from a warzone
What are we fighting for?
I'm running from a warzone
(Yeah)
I, I, I know I just gotta let it go
I, I should've known
I (9) to say goodbye now
I throw my armour down
And leave the battleground
For the final time now I, I, I know
I'm running from a warzone
