

Fill in the gaps

I can't (1) I had to see	The ones that killed me aint hurting you so
The girl of my dreams (2) on me	I, I, I know I just gotta let it go
The pain you caused has (3) me dead inside	I, I should've known
I'm gonna (4) (5) you	I gotta learn to say (20) now
(6) that night	I throw my armour down
I (7) you close, I (8) you breathe	And leave the battleground
And now it's like you're here	For the (21) time now I, I, I know
You're haunting me	I'm (22) a warzone
You're out of line, you're out of sight	I'm running from a warzone
You're the reason (9) we started this fight	I can't do this anymore
But I, I, I know I just gotta let it go	I'm (24) from a warzone
I, I should've known	What are we fighting for?
I (10) to say goodbye now	I'm running from a warzone
I (12) my (13) down	(Yeah)
And leave the battleground	I, I, I know I just gotta let it go
For the (14) time now I, I, I know	I, I should've known
I'm running from a warzone	I gotta (25) to say (26) now
In that house, I hate that place	I throw my armour down
Everywhere I walk I see (15) face	And leave the battleground
Try to erase a memory (16) a flame	For the (27) time now I, I, I know
In (17) I'll never see you again	I'm running from a warzone
Standing here in this burning room	
You know the end (18) never come so soon	
It's clear to me the (19) you used
