## Healing Begins by Tenth Avenue North

So you (1) you had to (2) this up	There's (16) waiting in the sound
All the work that you do	When you let your walls fall to the ground
So we think that you're good	We're here now
And you can't believe it's not enough	We're (17) now (oh oh)
All the walls you built up	This is (18) the (19)
Are just glass on the outside	(20) (oh oh)
So let 'em fall down	This is where the healing starts
There's (3) waiting in the sound	When you (21) to where you're
When you let your walls (4) to the ground	(22) within
We're here now	The light (23) the dark
This is where the (5) begins (oh oh)	The light meets the dark
This is (6) the healing starts	Sparks will fly as grace collides
When you come to where you're (7) within	With the dark inside of us
The (8) meets the dark	So please don't fight
The light (9) the dark	This coming light
Afraid to let your (10) out	Let this blood (24) us
Everything (11) you hide	His blood can cover us
Can come (12) through the door now	This is (26) the healing begins (oh oh)
But too (13) to face all (14) fear	This is where the healing starts
So you (15) but you find	When you (27) to where you're broken within
That the shame won't disappear	The light meets the dark
So let it fall down	The light meets the dark
