

Fill in the gaps

(Oh) I can't believe what she said	They don't know what they've been doing
I can't believe what he did	(Oh) Father, (4) me grace to (5)
(Oh) don't they (1) it's wrong	them
Don't they know it's wrong, yeah	'Cause I feel like the one losing (oh no)
Maybe there's something I missed	Why do we think that hate's gonna change the heart
But how could they treat me like this	We're up in arms over wars
It's wearing out my heart	That don't need to be fought
The way they disregard	Pride won't let us lay weapons on the ground
This is love, this is hate	We (6) our bridges up but just to burn them
We all have a choice to make	down
(Oh) Father won't You forgive them	We think pain is owed an apology and then it'll stop
They don't know what they've been doing	Truth be told it doesn't matter if we're sorry or not
(Oh) Father, give me grace to (2) them	Freedom comes when we surrender to the sound
'Cause I feel like the one losing	Of Your mercy and Your grace
It's only the dead that can live	Father, send Your angels down
But still I wrestle with this	(Oh) Father won't You forgive them
To lose the pain that's mine	They don't know what they've been (7) (oh no)
Seventy times seven times, yeah	(Oh) Father, give me grace to forgive them
Lord it doesn't feel right	'Cause I feel like the one losing
For me to turn a blind eye	Yeah, I feel like I've been losing
Though I guess it's not that much	(Oh) Father, give me grace to forgive them
When I think of what You've done	'Cause I feel (8) the one losing
This is love, (3) is hate	I feel (9) I've been losing
We gotta a choice to make	(Oh) Father, give me grace to forgive them
(Oh) Father won't You forgive them	'Cause I feel (10) the one losing
