

Fill in the gaps

You (1)	(2) we connect	Now it's gone to deep
That the chemistry's correct		You wake me in my sleep
Your words walk (3) through my ears		My dreams become nightmares
Presuming I like what I hear		'Cause you're ringing in my ears
And now I'm stuck in the		Sorry I'm not home right now
The web you're spinning		I'm (16) (17) spiderwebs
You've got me for you prey		So leave a message
Sorry I'm not home right now		And I'll (18) you back
'm (4) (5) spiderwebs		A likely story, but leave a message
So (6) a message		And I'll call you back
And I'll call you back		And it's all your fault
A (7) story, but (8) a message		I screen my (19) calls
And I'll call you back		No (20) who calls
You're intruding on what's mine		I gotta screen my phone calls
And you're taking up my time		(Ooh) (21) so
Don't have the courage (9) me		Leave a message and I'll call you back
To tell you, "Please let me be"		I'm walkin into spiderwebs
Communication, a telephonic invasion		Leave a message and I'll call you back
'm (10)	my escape	It's all (22) fault
Sorry I'm not home right now		I (23) my phone calls
'm walking into spiderwebs		No matter who calls, no matter who calls
So leave a message		I'm walkin into spiderwebs
And I'll (11)	_ you back	Leave a message and I'll (24) you back
A (12)	story, but (Yeah) leave a message	I'm (25) (26) spiderwebs
And I'll call you back		Leave a message and I'll (27) you back
And it's all (13)	fault	
screen my (14)	calls	
No matter who calls		
notta (15)	my phone calls
