

Fill in the gaps

How'd you think I feel when you call my name
You got me confused by the way I change
How'd you think I feel (1) you call my name
My name, say my (2) baby
Yes I love you
Say for the way I know we've been apart
It's an endless circle of poison arrow to my heart
Saying I
I love (3) you do to me
Need you to stay (4) me
l
I (5) you too much to let go
How'd you think I feel when you call my name
You got me confused by the way I change
How'd you think I feel when you call my name
My name, say my name baby
How'd you think I feel when you call my name
You got me confused by the way I change
How'd you think I feel when you call my name
My name, say my name baby
It's a constant thought of my (6) taking up my time
It's enough to vision of you that's playing on my mind
