

Fill in the gaps

We all got lonely days	Now that I'm (15) you and I'm sober too
Gets stuck in a phase	I can finally (16) alive
I can see the sun is (1) bright	But I won't give you my heart
Right on (2) the haze	'Cause it don't break twice
I complain and say	Just to let you know, let you know
Is this really my life	And if you play the part
Now that I'm (3) you and I'm sober too	And play it real nice
I can finally (4) alive	Maybe I'll let go
But I won't (5) you my heart	I'll let go
Cause it don't break twice	I'm sure you'll (17) me (18)
Just to let you know, let you know	(19) the sun
And if you play the part	Like how you think
And play it (6) nice	I'm special and the only one
Maybe I'll let go	'Cause (20) I'd (21)
I'll let go	just get up and run
I'm sure you'll (7) me anything under the sun	But you're looking so damn good to me under the sun
Like how you think	Well do ya get, do ya get what I need
I'm special and the only one	(Na na na nah na na)
Cause (8) I'd probably just get up and	Could you show me something (22) I want to see
run	(Na na na nah na na)
But you're looking so damn (9) to me under the	And maybe you can get underneath
sun	(Na na na nah na na)
	If you (23) the sun go (24) on me
Under the sun	(Na na na nah na na) go down on me
	I'm sure you'll tell me anything under the sun
Are we on the same page	Like how you think
Don't need to play	I'm (25) and the only one
All these (10) just to get a little	'Cause normally I'd (26) just get up and
Feel the (11) on my face	run
And I got (12) today	But you're (27) so damn good to me under
ls (13) my life	the sun
