

Fill in the gaps

We all got lonely days	Now that I'm over you and I'm (7) too
Gets stuck in a phase	I can finally feel alive
I can see the sun is shining bright	But I won't give you my heart
Right on through the haze	'Cause it don't break twice
I complain and say	Just to let you know, let you know
Is this really my life	And if you play the part
Now that I'm over you and I'm sober too	And play it real nice
I can (1) feel alive	Maybe I'll let go
But I won't (2) you my heart	I'll let go
Cause it don't break twice	I'm sure you'll tell me anything under the sun
Just to let you know, let you know	Like how you think
And if you play the part	I'm special and the only one
And play it real nice	'Cause normally I'd probably just get up and run
Maybe I'll let go	But you're looking so damn good to me under the sun
I'll let go	Well do ya get, do ya get (8) I need
I'm sure you'll tell me anything under the sun	(Na na na nah na na)
Like how you think	Could you show me something that I want to see
I'm special and the (3) one	(Na na na nah na na)
Cause normally I'd probably just get up and run	And maybe you can get underneath
But you're looking so damn good to me (4) the	(Na na na nah na na)
sun	If you (9) the sun go down on me
	(Na na na nah na na) go down on me
Under the sun	I'm sure you'll tell me anything under the sun
	Like how you think
Are we on the (5) page	I'm special and the only one
Don't need to play	'Cause (10) I'd probably just get up and
All these games just to get a little	run
Feel the sunshine on my face	But you're looking so damn good to me under the sun
And I got paid today
